## Community Resources: Summer Camps & Activities for Children-2009

---

This information is provided as a convenient resource for employees looking for summer childcare, camp and activity information. The inclusion of camps or summer programs on this list is not an endorsement. Texas A&M University does not endorse any of the camps, services or programs listed here; nor does the university endorse any instructional or recreational activities obtained from attending any of these camps, services or programs. Parents should review camps and programs to determine appropriateness for their children. If there is camp or summer program information that you would like be considered for inclusion on this list, email us at [worklife@tamu.edu](mailto:worklife@tamu.edu) and provide the web link and/or phone number for the program or camp.
