**Summer Insurance Premiums – Departments Are You Planning Ahead?**

As a reminder, summer premiums are collected in advance for employees who work less than a twelve (12) month appointment and meet summer insurance eligibility. Therefore, these employees will pay their portion of the entire summer insurance premiums (June through August) with their May premiums to be deducted from the paychecks received for their May earnings.

Departments play a critical role in the summer premium process by ensuring that the appointment terms are accurate and that any additional summer appointments are processed and employment changes such as retirements are communicated to Benefit Services. Start now to identify any summer appointment changes, and encourage the impacted employees to plan ahead. Stay tuned for more information regarding the summer premium process.

**Periodically Encourage Monitoring of Vacation Balances**

According to System Policy, an employee’s vacation balance at September 1 that is greater than the maximum vacation carryover will be credited to sick leave hours. As we get closer and closer to the end of the fiscal year, Leave administrators are encouraged to periodically remind supervisors and employees to monitor leave balances in excess of the projected maximum carryover amount to ensure that employees will have adequate time to schedule time off before having vacation leave lapse over to sick leave. Employees may review their projected vacation hours balance by logging into LeaveTraq and clicking the “Show Details” button. More information is available at http://employees.tamu.edu/benefits/leave/vacation/accrual/ online.
Please forward the following items to employees in your department.

**Benefit Briefs Newsletter**
System Benefits Administration recently published their latest edition of Benefits Briefs with the following articles: Form 1095-C Reminder, Don’t Forget Your Wellness Exam, Express Scripts Diabetes Program Changes, America Saves Week- Take the Pledge, Walk Across Texas, Direct and COBRA Billing Vendor Change, Moving Soon? And Blue365 EyeMed Vision Discount Program. You may view this newsletter online.

**Long-Term Care Insurance Webinars Available**
Long-Term Care insurance is now available under the PerksConnect voluntary benefits platform. As part of this new offering, a special one-time enrollment window is available January 19 through April 19, 2017 to eligible Texas A&M employees and their eligible spouses to enroll in individual long-term care insurance (policy provided by LifeSecure a BlueCross BlueShield organization) with simplified health screening. Visit the PerksConnect Long-Term Care Insurance webpage for details about the program including eligibility for simplified health screening, additional resources and to register for one of several informational webinars offered during the special enrollment period.

**WORKDAY**
Please share the following information with ALL employees, including student employees. Workday will replace many of the current Single Sign-On applications in DECEMBER 2017.

**The Word on Workday**

**WELLNESS WORKS!**

**Comprehensive Employee Health & Wellness Survey**
The School of Public Health is conducting a comprehensive, employee health and wellness survey on behalf of WELLNESS WORKS! in the Division of Human Resources and Organizational Effectiveness. Dr. Marcia G. Ory, Professor and Associate Dean for Research, Health Promotion and Community Health Sciences, is conducting a study to gather data that will help us evaluate the effectiveness of our different health and wellness activities promoted by Texas A&M. The records of this survey will be kept private and not shared with your employers, nor will it be shared with the Division of Human Resources and Organizational Effectiveness. No identifiers linking you to this survey will be included in any sort of report that will be published. The target audience for this survey includes all active, budgeted faculty and staff in workstations M and H. We encourage employees who meet this criteria to complete the survey that was distributed via email this morning.

**Walk Across Texas – Form Your Team Now!**
Employees and their friends and family have the opportunity to participate in the annual Walk Across Texas! program which will kick off February 18, 2017. This physical fitness program created by our own Texas A&M AgriLife Extension Service is an eight week program that encourages individuals and teams to monitor and track physical activity with the goal of earning enough miles to walk across the entire state of Texas (833 miles). Walk Across Texas! kicks off this Saturday, February 18, 2017, at 10:00 am in the JC Penny Entrance of Post Oak.
Mall in College Station (attendance in the kickoff event is not required for participation in Walk Across Texas!). Walk Across Texas! will run from February 18 to April 15, 2017 this year.

PATHWAYS PERFORMANCE MANAGEMENT

Preparation for Performance Evaluations
The 2016/2017 performance evaluation period is approaching: April 1 through May 31, 2017. As a reminder, PATH will be used for all Texas A&M staff evaluations. Some steps you can take now to prepare your department(s) include:

1. **Performance Plan** – Ensure that a performance plan has been created for all employees (Creating the Performance Plan). A performance plan must be created by the supervisor and acknowledged by the employee (Acknowledging the Performance Plan) in PATH in order for the supervisor to create an evaluation. The performance plan should reflect the performance goals (Tips on Writing Performance Goals) for the current performance review period, April 1, 2016 to March 31, 2017. HR Liaisons who would like to receive a Performance Plan Status Report can send a request to hrbusinessservices@tamu.edu.

2. **Review Position Description** – If an employee’s position description was not reviewed in PATH last year during the creation of the performance plan, encourage the supervisor and employee to “Review PD” in the PATH Position Management module (Instructions on Reviewing a PD). This activity ensures that the position description accurately reflects the job duties for which the employee will be evaluated.

3. **Resources** – Refresh yourself on the performance management process by reviewing the PATHways Roadmap and reviewing the online demos, instructions and FAQs on the PATHways website.

PAYROLL SERVICES

Justification/Comments EPA Field
SRS has requested Payroll Services to encourage departments to make full use of the EPA comments when changes to a source account(s) is routed through the Division of Research. The Payroll Services, A Guide to
Creating EPAs (pages 18-19), discusses the specific fields of EPA Document Information. The Justifications/Comments field is defined as “…a place for the department to provide a detailed description of the reason the EPA was created”.

TIP OF THE WEEK

Reviewing Job Duties Each Year is Required
Each year supervisors and employees should review job duties to make sure they are accurate and understood. That’s the purpose of a formal position description and the reason an annual review of job duties is so important to the success of a department’s goals, as well as complying with university rules http://rules-saps.tamu.edu/PDFs/33.99.03.M0.01.pdf during the performance evaluation process.
