

Approval Workflow – Review a Position Description (PD)

Note: Review PD establishes a record that the PD was reviewed by the employee and supervisor and no changes are needed (previously called “Certify PD” in TAMU Jobs). If changes to the PD are needed, a PD update should be initiated.

NOTICE: Human Resources launched a significant upgrade to the system used to manage online employment services, and position descriptions. The system, accessed via the Single Sign On (SSO) menu as “TAMU Jobs”, was renamed **PATH** (Portal Access for Total HR) in 2013.
