

Past Award Recipients - President's Meritorious Service Awards

The President's Meritorious Service Awards began in 1986. Currently, these awards are presented to recognize 25 outstanding individuals, two outstanding teams and two outstanding supervisors for their meritorious service to the University. Our extended Aggie Family, employees of SSC/Chartwells, are eligible for this prestigious award as well. Nominations are typically called for during the fall and an anonymous committee, appointed by the President, selects the recipients. These awards are sponsored by the Office of the President and The Association of Former Students. The program is coordinated by the Division of Human Resources and Organizational Effectiveness.
