Past Award Recipients -
President’s Meritorious Service Awards

The President's Meritorious Service Awards began in 1986. Currently, these awards are presented to recognize 25 outstanding staff employees and two outstanding team for their meritorious service to the University. Nominations are typically called for during the fall and an anonymous committee, appointed by the President, selects the recipients. These awards are sponsored by the Office of the President and The Association of Former Students. The program is coordinated by Texas A&M Human Resources. Learn more online.
