Get Your 3D Mammography & Bone Density Screenings On Campus!

REGISTER: [HERE](#) or at covia.opendr.com - use the Texas A&M Code: **57198**

Dates	Location
May 2 & 3	General Services Complex
July 20 & 21	General Services Complex

Do you qualify for a 3D Mammogram?

- Must be 40 years or older and not have had a mammogram in the past 12-months (*A&M Blue Cross Blue Shield plans cover one baseline mammogram between the ages 35-39 at 100%*)
- Must be insured (*covered 100% by A&M BCBS Plans. Covia is in-network with over 20 providers if you're on a spouse's plan.*)

Do you qualify for a DXA Screening?

- Must have a risk factor surrounding osteoporosis and must have a doctor's order (Covia Health can help obtain this)
- Must be insured (preventative codes are covered 100% under A&M BCBS Plans. Member responsibility for diagnostic codes. *These codes are determined by your physician's order.*)

**REGISTER
TODAY!**

WIN A \$50 VISA GIFT CARD! Eligible participants who register for May 2 or 3 will be entered into a raffle for a \$50 VISA gift card upon completion of their screening (sponsored by COVIA).

Note: Covia Health bills your insurance as Rose Imaging Specialists which is an in-network provider for all Texas A&M Care Plans. When inquiring with BCBS about any claims or billing, to avoid confusion, please refer to them as **Rose Imaging Specialists** instead of Covia Health.
