

# Continuing retirement plan support

**CONTACT INFORMATION:**

With information about COVID-19 changing daily and market turbulence causing uncertainty, we know you may feel anxious and want to talk to someone about your retirement plan. We're here to answer your questions and provide personal support.

More and more organizations are limiting outside visitors or asking employees to work from home, but that doesn't mean you can't access the same Lincoln service you're used to. Take action in three ways:

**Online**

**LincolnFinancial.com/Retirement** is open 24/7. You'll find helpful retirement planning articles, videos, and calculators. Log in to your online account to manage your retirement plan and track your progress. Not registered? It's fast and easy.

**Phone**

You can call the Customer Contact Center at **800-234-3500** between 8:00 a.m. and 8:00 p.m. Eastern for help with transactions and answers to general questions. Please be advised that wait times may be longer than normal.

Lincoln retirement consultants (RCs) are also happy to provide one-on-one help over the phone. You can reach your representative at the telephone number shown on the left.

**Virtual meetings**

Thanks to the internet, we don't have to be in person to meet face to face. You can meet one-on-one with an RC via WebEx. You'll receive the same service as if you're meeting in person.

## Schedule a meeting!

Your virtual RC meeting will be via your phone, computer, or tablet. Using a convenient, online scheduling tool, you can view and book appointments and receive automated confirmations and reminders. During your meeting, your RC can:

- Explain how historically the long-term trend of the stock market is up
- Show you how diversification may help you weather market volatility
- Review your account
- Discuss budgeting and how to manage competing financial priorities
- Help you see how much money you may need to achieve the retirement you envision
- Provide answers to your questions
