Through the Two-Step wellness program, members engage in health-promoting activities based on unique member risk and identified benefit interests via a personalized checklist.

Who is eligible to participate in the TAMUS Two-Step wellness program?
Employees and covered spouses on the A&M System Care Plan. By completing the Two-Step health and wellness activities (personalized to them on their MyEvive checklist), it will ensure they are receiving the lowest health premium beginning in the next Fiscal Year, starting September 1st.

How do members complete their activities?
Members can start by logging on to their MyEvive portal from SSO. From there, they can access their personalized Two-Step wellness checklist. Remember, the checklist is personalized just for them based on their health and interests -- so everyone’s is unique.

When is the TAMUS Two-Step deadline for the eligible members?
The deadline remains the same, June 30, each year.

Will there be reminders to complete new activities?
Yes. The A&M System benefits team and Evive ensure communications are plentiful and clear for eligible members with the details of the Two-Step program.

What are the activities someone could see on their MyEvive checklist?
Annual Wellness Exam
Health Assessment
Breast Cancer Screening
Cervical Cancer Screening
Colon Cancer Screening
Naturally Slim
Well onTarget Self-Management Program
HealthQuests

How do members complete items on their checklist?
Most items are automatically updated and marked complete through Evive (Annual Wellness Exam, Health Assessment, Breast Cancer Screening, Colon Cancer Screening, Naturally slim, HealthQuests, MDLive Registration, Where to go for Care Scavenger Hunt). Members will need to go back and mark themselves complete/done for the Well onTarget Self-Management Program once they complete their lessons. They are able to do that right in the MyEvive checklist item.
