

Early Return to Work Program – Work Status Report Form

HR Liaisons/Managers: This form is to be used only for injuries/illnesses that are NOT work-related. Provide an uncompleted copy of this form to the employee to provide to their physician.

Physician's Instructions: This form must be completed by a physician or practitioner. The **Genetic Information Nondiscrimination Act of 2008** (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of employees of their family members. In order to comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.
