#### Hire and Onboarding Reminders

As we prepare for the Spring semester hires, please remember to keep in mind the following guidelines and tips:

1. The **Hire Business Process** allows you to **search by UIN**. This should help you ensure the right record is being selected for rehires and prevent you from starting a hire process for existing employees.
2. Always **include the UIN** in the comment box when submitting Hire Business Processes.
3. **For student workers**, do not start a hire business process until the Form I-9 is completed. Remember that the Workday hire date and the Form I-9 hire date should match.
4. You **MUST** complete and approve the I-9 forms in Guardian, including Section 3. Do not let employees leave your office until you have received an Employment Authorized result from E-Verify.
5. Ensure that all employees complete their Onboarding processes in Guardian Workday, including entering their SSN. Remember to run the Onboarding Status Summary report in Workday and follow up with all employees with Onboarding still in progress.

6. Visit the Form I-9 Page to stay up to date with federal rules and regulations, and tools designed to assist you:
   a. If you have questions, please use the I-9 Contact form. This will ensure that you provide all the information we need to better assist you.
   b. Consider requesting links to have the employees complete Section 1 before the hire date. This will ensure that Section 1 is completed on time and it will save you time when you meet with the employee to complete Section 2 of Form I-9.

Review the Form I-9 Quick Tip Guide. You will find the answers to most of your questions listed in this document!

**Reminder: Student Status Positions and Placement in Temporary/Casual Positions**

Following the message sent in the November 8th LNN from the Student Employment Office regarding End of Semester Reminders, if graduating, students must be moved off student title codes no later than the Monday following the latest commencement ceremony of the term. Based on the fall ceremony schedule, the effective date for these actions is Monday, December 20, 2021. Departments do not need to create or transfer to a Program Aide position. Instead, this request may be processed using Change Job and selecting Data Change – Position Title Change for the reason. The Job Profile will need to be updated to Program Aide, and the Employee Type will need to be changed to Temporary/Casual Staff (Fixed Term). Departments should update the annual work period to cover the appropriate time period worked. Workday will require the department to enter an End Employment Date indicating an end date on which the temporary employment will close. The graduating student can only work in this Program Aide role for a maximum of 4.5 months, no matter the hours worked. In these instances, a Criminal Background Check is not required. For further information regarding temporary/casual positions, please reference the Temporary/Casual Position Guidelines on the HR website.

**Special Note:** Students who graduated in August 2021 and were placed in a temporary/casual position without posting the position will meet the 4.5 months duration for that extended employment at the end of this month and need to be terminated. If you still have former students in temporary/casual positions, please process a Termination request so that the duration does not exceed 4.5 months.

For questions regarding this process, contact Classification and Compensation at 979-845-4170 or by email at hrcomp@tamu.edu, or hschr@tamu.edu for Texas A&M Health.

**New Workday Application - Work Space**

A new Workday application called Work Space has been implemented to provide us with the ability to document the physical facility and office where a worker primarily performs job duties. Work Space will help facilitate the immediate need of vaccine management for federal contractors, but it also provides a centralized repository of location information that can be reviewed and reported on for various different uses (ex. Emergency Management). For more information, please review the following resources available in the Education section of Workday Help.

**Years of Service Pins Update**

Thank you to those HR Liaisons who helped verify employees who reached 20, 25, 30, 35, 40, 45, 50, and even 55 years of service in 2021! The pins were recently received from the manufacturer and are being examined for quality control. We will reach out to department contacts to coordinate a pick-up process as soon as we have sorted and packaged all pins. Our goal is to have them ready for pick-up by December 14th. We encourage
departments to celebrate their employees in a special way when presenting this special years of service recognition! Review our Award Presentation Tips for departments to use to assist with recognition. If you need your department’s pins before December 14, please email Nikki Cavender at ncavender@tamu.edu. Thank you for your patience in this process.

Performance Management: Employee Goals

As a reminder, it is important to ensure employee goals have been put into Workday for the current Performance Review Period (4/1/2021 – 3/31/2022). Goals entered by employees must be approved by their manager. Goals input by the manager do not require additional approvals. Goals for the previous review period (4/1/2020 – 3/31/2021) can be archived.

HR Liaisons should facilitate the goal setting process with the organizations they support. Two reports are available in Workday to help with monitoring goals:

1. Employee Goals Pending Approval – returns all goals for employees waiting for manager approval in the Talent Analyst’s area(s) of organizational responsibility.
2. Employee Goals by Organization – returns all goals for employees (except those pending approval) in the Talent Analyst’s area(s) of organizational responsibility.

It is also a good time to remind managers about the importance of periodic reviews of goals with their employees, including noting positive progress and areas of improvement needed.

Please visit the Performance Management webpage for an overview of the process, timeline, Workday job guides, and other resources. There are also courses including best practices for employees and supervisors, delivered via Zoom. Check out the delivery schedule to view course descriptions and enroll in a session.

Please email questions to HRevaluations@tamu.edu.
