Performance Management
May 31st is the deadline to complete the Performance Reviews. Please ensure managers are scheduling meetings with their direct reports to review the evaluations, and then submitting in Workday for employees to acknowledge. You can refer to the Performance Review Process Timeline and our Performance Review FAQ pages for more details.

Reminders:
- All self-evaluations, including attachment only, must be submitted in Workday to start the process.
- The Performance Feedback Form and the Research Performance Evaluation Form may be used to complete the self-evaluations. Employees and Supervisors may agree to use a different document to attach in Workday.
- The University will close on both May 28th and May 31st to honor the Memorial Day holiday.
- Talent Analysts should run the Performance Review Process (All) report in Workday to track progress and ensure timely completion.

If you have any questions or need assistance, contact hrevaluations@tamu.edu.

COVID-19 Return to Campus Courses
In alignment with requirements set forth by Governor Abbott’s executive order GA-21 as amended by GA-22, employees are required to complete the following System Office courses in TrainTraq:
- **2114131: Safe Practices for Returning to the Office During the COVID-19 Pandemic**
  - This course is required for all employees and is automatically assigned. Employees who completed the Safe Practices course will not be required to retake this course in order to return to campus Spring 2021.
- **2114130: Protocol and Certification for System Member Employees; updated.**
  - This course was updated; and, employees are required to retake the course before returning to work on campus Spring 2021 (regular worksite). This requirement also applies to employees who have continued to work onsite.
  - The attached spreadsheet will only show completions on or after Nov. 4.

Spanish versions are also available for these courses. Completing either the English or Spanish version will meet the assignment requirements to complete the courses.

Attached is a report to help monitor completions and incompletions. If you have questions, please contact Organization Development at OrgDev@tamu.edu.

**Time Worklet Update**

The Time Worklet in Workday was removed from the homepage of staff who are dual-employed and the primary position is monthly paid. The employee will need to add the Time Worklet back on their home page; once this is done, they will be able to access their timesheet and submit hours in the secondary position.

1. In Workday, click the Gear Icon above the Applications box.
2. Under Optional Worklets, click the plus (+) sign to add a new line.
3. In the empty field, click the drop-down menu, select All and choose the Time worklet.
4. Click OK and Done; the Time Worklet should now appear in the Applications box on the homepage.

Please contact Payroll Services at payroll@tamu.edu if any timesheet issues remain after the employee updates their home page.
