**New Positions Will Change to Six Digit Format**
On **February 14, 2019**, the Workday Position ID number for NEW positions will change to a six digit format to avoid conflicting with the numbering system used for legacy PINs.

**Applications Impacted:**
- Canopy
- Enterprise Data Warehouse
- FAMIS
- Single Sign On
- Time & Effort
- TrainTraq
- Workday

**Today**
In Workday, the Position ID is P-XXXXX (5 digits) which converts in impacted applications to:
- MXXXXX (letter and 5 digits) for budgeted positions, or
- MXXXXXXXXX (letter and 9 digits) for wage positions
- where M is the member workstation letter

**Beginning February 14**
The Workday Position ID P-XXXXXX (6 digits) for **new positions** will change in impacted applications to MXXXXXX (letter and 6 digits) for **both budgeted and wage positions**, where M represents the member workstation letter.

**Two Factor Authentication Required For All Active Employees**
SSO will require two factor authentication (2FA) for all active employee logins beginning **May 15, 2019**. This change helps make SSO more secure, safeguarding information in Workday, Canopy, HRConnect, Business Objects, and other applications.
We will begin notifying anyone receiving a paycheck, those on leave or her on a fellowship, military leave dependents, vendors and visitors of this requirement with instructions on how to sign up for 2FA on February, 18, 2019. Follow-up communications will be sent to those who have not signed up for 2FA on:

- March 18
- April 15
- May 8

On March 25, 2019 an email communication and printable letter will be sent to your Human Resource Officer and Benefits and Retiree Partners for distribution to retirees and surviving dependents. They may opt-in for 2FA but are not required to use it.

We appreciate your support to help employees sign up for 2FA. Please contact the Office of Information Technology at TAMUS-OIT@tamu.edu if you have any questions.
