Who to Contact in HROE?

In the footer of each HR Liaison Network News is a link to the HROE email ticketing system which lists who to contact in HROE when you have a question!
New CDC Definition of Close Contact

Someone who was within 6 feet of an infected person for a cumulative total of 15 minutes or more over a 24-hour period* starting from 2 days before illness onset (or, for asymptomatic patients, 2 days prior to test specimen collection) until the time the patient is isolated.
