CRUCIAL CONVERSATIONS FOR MASTERING DIALOGUE

Whenever you're not getting the results you want, it's likely an important conversation either hasn't happened or hasn't been handled well. In fact, both individual and organizational success are largely determined by how quickly, directly, and effectively we speak up when it matters most. At the heart of healthy and high-performance organizations are people willing and able to hold Crucial Conversations.

Date & Time:
- 7/31/24 & 8/1/24 9:00 am - 5:00 pm 2-day course

Location:
- School of Law - Conference Center

Course Fee per person:
- Texas A&M University (M) - $380
- TAMUS - $414

THE 6 TYPES OF WORKING GENIUS

Working Genius identifies the six fundamental activities required for any type of work and provides a simple framework for how work gets done. Too many people feel frustrated, underutilized or misunderstood at work. Far too many teams experience failure, feel stuck or are confused because they don't know how to tap into the people around them. Working Genius is changing the way people are thinking about their work and teams, and is leading to more dignified, fulfilled and successful work.

Date & Time:
- 8/2/24 8:30 am - 12:30 pm

Location:
- School of Law - Conference Center

Course Fee per person:
- Texas A&M University - $139
- TAMUS - $148.00
