Join the Organizational Development Department at Texas A&M University as we bring the Association for Talent Development’s Employee Learning Week (ELW) to campus.

ATD is the world’s largest association dedicated to those who develop talent in organizations. Annually they host a weeklong event in which organizations showcase the learning and development resources that are available for employees.

NO COST TO YOU
The Division of Human Resources and Organizational Effectiveness is sponsoring this event! There is no cost to employees.

COURSES

Getting Things Done
In-person: TAMU & TAMUG | On-Demand: Remote Locations
Principles taught in GTD relieve cognitive load, allow for increased focus, even result in peak performance and optimal experience, or what is popularly called “flow.”
GTD isn’t only about getting things done. The real promise of GTD is efficient engagement. It’s productivity with presence and purpose.

Crucial Conversations
In-person: TAMU & TAMUG | On-Demand: Remote Locations
Crucial Conversations for Mastering Dialogue is a course developed by Crucial Learning that teaches skills for creating alignment and agreement by fostering open dialogue around topics involving opposing opinions, high stakes, and strong emotions - at all levels of the organization.

Power of Habit
In-person: none | On-Demand: Remote Locations
Habits affect performance more than talent, intelligence, luck, or decision making. Most know this, yet they struggle to take control of their habits to get the outcomes they want.
The Power of Habit course teaches how habits work and how to develop effective habits using skill instead of willpower. The course teaches a skill set for mastering any habit. You might call this skillset the habit of all habits. The one to rule them all.

The 6 Types of Working Genius
In-person: TAMU | On-Demand: none
Working Genius identifies the six fundamental activities that are required for any type of work and provides a simple framework for how work gets done. When people are able to better understand the types of work that bring them more energy and fulfillment and avoid work that leads to frustration and failure, they can be more self-aware, more productive and more successful.

Myers-Briggs: Understanding & Working with Type
In-person: TAMU & TAMUG | On-Demand: none
The Myers-Briggs Type Indicator® (MBTI®) assessment is one of the world’s most popular personality tools—because it works.
MBTI helps you understand your natural personality preferences, gives you objective insight that you can use to enhance your professional and personal relationships, as well as your direction, focus, and choices.
